WELCOME TO FIRST PRESBYTERIAN CHURCH

“Welcome! We pray that as you worship this day you will be strengthened by His love and Grace.”

About the Sermon: “A little bit of wisdom is indeed a dangerous thing. The people of Israel at the time of the passing of Samuel wanted to become like other nations around them and call for the coronation of a King. Samuel warned them about such an action, but Israel assumed they knew better. There is a time of course where we all think we are wiser, smarter, better than our teachers. But I think God has something to say to us about the limits of our wisdom and unlimited potential of His grace and knowledge. May we all honor all our teachers, today our Sunday School teachers, as they do their best to impart the timeless wisdom of the Lord.”

----Pastor Gregory
