Hymn time # 23

"The God of Abraham Praise"
Thomas Olivers (1735-1799)

Thomas was orphaned at the age of 4. He apprenticed as a shoemaker and became a reckless young man. After hearing a sermon by the evangelist George Whitefield, Thomas turned his life over to Jesus. Even though he had no formal education, Thomas became one of John Wesley's evangelists. He traveled extensively throughout England and Ireland, fearlessly preaching the gospel but often encountering violent opposition. Olivers states that he wrote this hymn after listening to the preaching of a Jewish Rabbi at a synagogue in London.

The story of God's dealing with Israel is an incredible one. It is the story of a sovereign God preserving and directing throughout history the affairs of His chosen people. Beginning with Abraham, "the father of many nations", the Jewish people have been persecuted frequently, but never destroyed. The God of Abraham is still our God today, and is worthy of our praises both now and through eternity.
