

Today's Announcements:

The Worship Service is at 9:30 am. Don Pidcock will be giving the Sermon, and Hilary Orlando is our Accompanist.

It is Missions Sunday, please see the below message from the Missions Team:

The Annual Garage Give-Away will be held on Sat., August 26th in Princeton, NJ. If you have any household items, small furniture, or new/used bicycles you'd like to donate, please see a Missions Team member. (Their names are on the back of the bulletin, if you have any questions). Since bicycles are the only means of transportation for international students on campus, they are a "hot ticket item". If you'd like to give something toward the cost of fixing up used bicycles, please consider using our Missions envelope (mark it "bicycles") in order to give toward that specific item. The Lord blesses us continually and last year, we took over 20 bicycles to the give-away! Thanks be to God and to you for your generosity!

Hymn Time:

"Take My Life and Let It Be"
Frances Ridley Havergal (1836-1879)

Today's hymn was written by the woman who had become widely known throughout England as "the consecration poet". It was said of Frances that she always lived her words before she wrote them. Frances' life was one of constant and complete commitment to God. Her many talents - an accomplished pianist and vocalist, proficiency in seven languages, a keen mind (memorization of the entire New Testament, Psalms, Isaiah and the Minor Prophets) - were all dedicated to serving God.

Her musical talents could have brought her much worldly fame. However, she determined that her life's mission to sing and work only for Jesus. Verse two says, "Take my voice and let me sing always, only for my King". The line in verse three was also sincerely phrased, "Take my silver and my gold, not a mite would I withhold". At one time Frances gathered together her many fine pieces of jewelry and other family heirlooms and shipped them to the church missionary house to be used for evangelizing the lost.

About the Message~

Throughout biblical times, God has used people to further His ministry. And by do so, He changes their names to become more suitable to the purpose that God wants them to accomplish. As Abram becomes Abraham and Sara becomes Sarah, they welcome Gods guidance as a source of strength and acknowledgement in doing Gods will. Maybe God will change your name for the special purpose God has for you.
