Hymn Time:

"There is a Redeemer"
Melody Green (1946-)

Melody was born in Hollywood California, but grew up in Venice, CA., with the beach being her playground. She realized at a young age, that there must be a "creator", because of all the beauty she saw around her.

Melody's grandparents emigrated into the United States from Russia during WWI, but Melody's mom was born in this country. Melody was raised in the Orthodox Jewish Faith, but called herself a "Jewish Christian" after attending a bible study which changed her life in 1975. Her future husband Keith, she met while working in a production company. He was an up-and-coming musician with a similiar path.

She wrote "There is a Redeemer" in 1977, but it wasn't released until 1982 as a hymn by Keith. However, after he had released the song, tragedy struck and Keith lost his life in a plane crash. In the fall of 1982, Melody traveled across the country with the *Keith Green Memorial Concert*, in which this hymn was sung.

About the Message:

The Hebrew terms for the word "vanity" can be translated different ways. Most common is the word "meaningless". Meaning that our constant self-centeredness or selfishness in most matters of life is exactly what Vanity brings us, meaningless. What are we now holding on to, past ways, old programs, our own sense of power, past pains, past insults that we cannot let go of? Where exactly does that lead us? Tired, exhausted, and just plain weary.

Confession of Faith

This is what we confess as a Body of Christ. The Bible is the inerrant Word of God. The sole authority in all matters of life and faith. We confess that Jesus Christ alone is the only name of Salvation. We confess that the Holy Spirit alone brings New Life and holiness to the Church. Guided by such, we affirm, and we as a Body of Christ stand upon the solid rock of our Lord Jesus Christ, and we will not be moved.
