Hymn # 79

"My Jesus I Love Thee"  
William Featherston (1846-1873)

The spiritual depth of today's hymn is made all the more remarkable by the knowledge that it was written by a teenager. William Featherston, from Montreal, Canada, is thought to have written these lines of heartfelt gratitude to Christ at the time of his conversion experience when he was only 16. It is believed he then sent a copy of his poem to an aunt in Los Angeles, and somehow the text appeared anonymously in print in an English hymnal, The London Book, in 1864.

Several years later, a well known American Baptist pastor, Dr. A.J. Gordon, discovered the anonymous hymn in the English hymnbook and decided to compose a better melody for it. With its new tune the hymn has since been included in nearly every evangelical hymnal and has been sung frequently by believers everywhere during hushed moments of rededication to God. May these words cause each of us even now to renew our devotion to God so that this love for Christ may be reflected in all of the activities of this day.

**The Lord's Prayer:**

*Our Father who art in heaven, hallowed be thy name.*

*Thy kingdom come. Thy will be done on earth, as it is in heaven.*

*Give us this day our daily bread, and forgive us our debts, as we forgive  
our debtors. And lead us not into temptation, but deliver us from evil . For  
thine is the kingdom, and the power, and the glory forever. Amen.*

**About the Sermon**

*The Bible has many verses that have become memorable because they  
express great truths in just a few words. Many “Famous Single Sentences  
of Truth” were spoken by people facing situations of fear, failure,  
temptation, suffering, courage and faith.*

*Although the sentences are short, the lessons behind them are powerful and  
continue to speak to us today. By looking at these unforgettable words in  
the biblical context, we can find out how they can strengthen our own faith  
and our own walk with God today.*
