"The Solid Rock"  
Edward Mote (1797-1874)

The Bible likens our life to a house. Some homes are built to last while others crumble easily in strong wind or rain. The difference is not in the severity of the storm but the quality upon which the structure is built.

Edward Mote knew nothing about God or the Bible as he grew up in London, the child of poor innkeepers. At the age of 16 he became a follower of Christ. Edward settled in a suburb of London where he became known as a successful cabinet maker and a devoted church layman.

After a time, a Baptist church was built in Sussex, England, largely because of Edward's efforts. The grateful church members offered Edward the deed to the property. Edward refused it saying, "I only want the pulpit, and when I cease to preach Christ, then turn me out of that." Here Edward ministered faithfully until forced to resign due to poor health one year before his death.

One can tell the words in verse 1 were written by a carpenter: "My hope is built on nothing less than Jesus' blood and righteousness. I dare not trust the sweetest frame but wholly lean on Jesus' name."

***Plan Ahead:***

LaNelle and Carin Gallagher, Crystal Robertson and her friend Sharon will be traveling to Jarabacoa in the Dominican Republic this year in late July. It is a smaller group than usual as another missionary group from New Hope PA., will be attending the same time and space is limited. We ask for your continued prayers for the entire group and due to the group size, we request that any donations be monetary. As needed supplies will be purchased in the DR. Thank You for your considerations and may the Lord Bless You generously.
