Hymn Time:

"Another Year is Dawning"
Frances Havergal (1836-1879)

Today's hymn was written by the woman who had become widely known throughout England as "the consecration poet". It was said of Frances that she always lived her words before she wrote them. Frances' life was one of constant and complete commitment to God. Her many talents - an accomplished pianist and vocalist, proficiency in seven languages, a keen mind (memorization of the entire New Testament, Psalms, Isaiah, and the Minor Prophets) - were all dedicated to serving God.

In January of 1874, Frances' many friends received a New Year's card with the heading, "A Happy New Year! Ever Such May It Be!" Following the greeting appeared Frances' new poem, which is the hymn we will sing today. It is still considered one of the finest New Year's prayers of consecration ever written. May her words be our challenge for this new year as well.

About the Message:

Well we have just moved into a new year! 2026! A new year as it holds new opportunities and a new fresh look at what may be the best year of our lives. But sometimes it can be difficult to look ahead as we think it's just going to be another year that may be like the last year and the one before that and the one before that and so on. God has given us a fresh new start that is not only given to us every year but every DAY.

The Lord's Prayer:

Our Father who art in heaven, hallowed be thy name.

Thy kingdom come. Thy will be done on earth, as it is in heaven.

Give us this day our daily bread, and forgive us our debts, as we forgive our debtors.

And lead us not into temptation, but deliver us from evil.

For thine is the kingdom, and the power, and the glory forever. Amen.
