Our Mission and Calling:

Lead by the Holy Spirit we will,

Celebrate our Lord through vibrant worship

Witness by the example of a Christ centered life

Prepare God's people for service

Proclaim the Good News of Salvation through our Lord

and Savior Jesus Christ

Hymn Time:

Daniel C. Roberts (1841-1907)
"God of Our Fathers"

Today's hymn reminds us that concerned citizens of the heavenly kingdom should also be involved citizens of their earthly kingdom. Daniel Roberts had served in the Civil War with the 84th Ohio Volunteers. He wrote these words in 1876, the year that America was preparing to celebrate its 100th anniversary of the signing of the Declaration of Independence. Daniel was the rector of a small Episcopal church in Brandon, Vermont. He felt that the country should have a new national hymn for the occasion. Daniel's new song was sung for the first time by the parishioners of the Brandon village church for their worship service on July 4, 1876.

Later, at the time of the actual National Centennial Observance commemorating the adoption of the Constitution, Daniel's hymn was chosen as the official hymn for the event. These words remind us that the God who has so richly blessed our land in the past is the God we still need to be "our ruler, guardian, guide and stay".

About the Message:

From whom or what is a nation's strength and honor derived? The size of its Army or Navy, its material wealth, its bank accounts, how much stuff it has? Or from the Lord? Good question in 1200BC. Good question now.
